

New Jersey Devils Youth Hockey Club 2019-2020 Payment Policy

Full tuition payment is due upon contract signing. We accept cash, checks, Visa, or Mastercard. Parents with multiple players in the organization must complete all portions of each registration in its entirety.

Families with multiple players in our organization are entitled to a 10% discount which will be applied to the tuition of the second and subsequent siblings. The discount is applied to siblings by tuition, not age. For example, if a family has a Peewee and a short season Midget in our organization, the discount will be applied to the player with the lesser tuition, in this case the Midget.

We recognize that hockey tuition is a significant burden for many families, and we offer a payment plan for your convenience. You can in ten equal installments (or eight installments for short season teams). If you default on your payment plan for any reason, a 5% penalty will be applied to your account. All payment plans must be complete by January 15, 2020. Per Atlantic District rules: No player from any USA Hockey Affiliate or District may register or participate on a team within the Atlantic District if such player owes any financial obligation, including unreturned equipment, to any previous team or organization registered within any USA Hockey Affiliate or District. In signing a contract you agree to be bound by AAHA Rule 17 regarding releases and appeals. If tuition is not paid in full by February 1, 2020 the Player's name will be placed on the Atlantic District Financial Outstanding list and **Player cannot play for the rest of the season regardless of whether the financial obligation is satisfied prior to the end of the season.**

For families experiencing significant financial hardships, a limited number of scholarships are available. You should indicate your interest in receiving financial aid during the travel team registration process and an application will be sent to you. You will be required to submit a copy of your most recent tax return and a completed scholarship application to the Scholarship Committee within 30 days of contract signing. Applications will be available online and will be kept strictly confidential. Under no circumstances will financial aid be given to families who fail to complete the scholarship application. Families who received financial aid in past seasons must complete the current application in order to receive consideration.
