The screenshot shows the 'ADD EMAIL ADDRESS' form. At the top, there is a header bar with 'ADD EMAIL ADDRESS' and a 'CANCEL' button. Below the header, there is a section titled 'Add Email Address' with a sub-header 'Enter a new email address below to add it to your account. Upon adding a email confirmation will be sent to the new address.' Below this, there is a label '* Email Address:' followed by a text input field. At the bottom of the form, there is a button labeled 'Add Email Address', which is highlighted with a red rectangle.

6. A confirmation email will be sent to your Secondary Email address to activate. Open the email and click the link within the email to confirm.
